

Graduate School Guidelines

The following are guidelines for all University of Portland graduate students:

1. Graduate students must maintain a cumulative grade point average of at least a 3.0 to remain in good standing.
2. Students taking nine semester hours are considered full time in a graduate program.
3. A maximum of nine semester hours may be transferred to a master's degree program if a student takes the graduate level courses after receiving a bachelor's degree. Students expecting to transfer course work should complete the appropriate forms within six months of entering a UP program.
