### Are you Taking an Entrance Exam or Interviewing This Year?! MCAT? DAT? GRE? PCAT? OAT?

If you are taking any entrance exam or interviewing at a professional program in the next year please come and write you name on the calendar in Becca's Office (Buckley Center 216) once you register for the exam or have your interview date!

We want to cheer you on as you study and help you find other people who are working towards the same goals to connect with this year. We also want to celebrate with you when you're done - and we don't know when you're taking these tests or interviewing unless you let us know!

### Alumni Spotlight

Matthew Baer grew up in a family, community, and culture that emphasized service to others. During his last two years of high school he started thinking of professions which would maximize this and came up with teacher, researcher, and doctor. Since Matt also happened to be interested in science, he came to the University of Portland and started working his way toward a BS in Biochemistry. explored many options during his time at UP: did some research, tutored students in a variety of subjects, volunteered with a hospice center, and shadowed local physicians. In the end he found myself called to medicine as it combined all of these paths: educating the patient, researching a multitude of topics, providing a much-needed service to others. was accepted at Creighton University School of Medicine in 2016, and is now doing his 3rd year clinical rotations out in Phoenix, AZ, and is planning on applying to Family Medicine residency.
