

Public Research Fellows Presents

# Putting Interdisciplinarity to Work

a Faculty Brainstorming + Sharing Session

## FACULTY WORKSHOP

**Friday, Feb. 18 • 1:30 - 2:30 pm • DB 235**

Collaborating across disciplines can be some of the most invigorating work we do as faculty, but how do you get started and where do you find like-minded colleagues? Join us for a lively workshop exploring:

- avenues for interdisciplinary connection at UP and
- tools to make connections across disciplines easier,
- followed by a speed networking session to brainstorm collaborative projects.

### PART OF THE PUBLIC RESEARCH FELLOWS SPRING SERIES
