

THE UNIVERSITY OF PORTLAND IS PROUD TO HOST:

# I AM PSYCHED! PDX

An interdisciplinary pop-up exhibit and mini-conference

This exhibit and variety of events celebrate the accomplishments of women of color working in psychology and their contributions to science, education, and public policy over the past 50 years.

The events surrounding the exhibit will focus on modern day issues impacting people of color and women in our local communities, and provide opportunities for networking and mentorship.

April 14-18
